Booking Process

FROM TABLET

Users have to select the room and then fill out the booking form.

The screenshot shows a tablet interface for booking a conference room. The title is "Booking - Conference Room". Below it, there's a section "Book your meeting time" with a dropdown for "Room" set to "Conference Room", a date picker for "Friday, 8 March 2024", and a time range from "08:00" to "18:00". There are buttons for "20 Minutes", "45 Minutes", and "60 Minutes". A "Continue" button is at the bottom right. On the left side of the screen, there's a sidebar menu with options: "Recent", "Upcoming", "Book & Time", "Date", "Time", "Duration", "Room", "Meeting Details", "File", "Participants", "Facilities", "Notes", and "Food and Beverages".

Fill in the booking form. Time, meeting details, facilities, etc.

The screenshot shows a "Thank you for your booking" message. It states: "A confirmation email with your booking details and QR will be sent to your email address shortly." Below this, there's a table with booking details: "User name" (cansadik.fudir@unistic.com), "Room" (Grahaduta Bay), "Date & Time" (12 March 2024, 10:00 - 11:00), and "Duration" (60 Minutes). A green "Done" button is at the bottom.

Booking success notification

The screenshot shows a "Message sent!" notification. It says: "Your message has been delivered to the admin." Below this, there's a table with details: "Room" (Conference Room) and "Message" (Tolong siapkan lima kursi tambahan dan kabel extension). A green "Done" button is at the bottom.

Add a note.
E.g. "Please prepare 2 touch screen tv"
